Where can I register to vote?

Registration applications may be obtained from either the local election official in your county or city, or through registration outreach programs sponsored by such groups as the League of Women Voters. You can also register to vote when applying for a driver's license or identity card at State DMV or driver's licensing offices, State offices providing public assistance, State offices providing state-funded programs for the disabled, and at armed forces recruitment offices.

Many States also offer registration opportunities at public libraries, post offices, unemployment offices, and at public high schools and universities. Colleges, universities, and trade schools participating in federal student loan programs also offer voter registration applications to enrolled students prior to general elections.
